Obtaining FKR

FKR is available free-of-charge. The user-manual plus sample input and output files are included in the distribution package.   FKR comes in either a Windows environment or a Linux environment.   To obtain a copy, direct requests to jrwolberg@gmail.com .   Please put FKR on the subject line.

Email support for FKR usage and help in developing trading systems can be obtained on the basis of a one-year agreement. On-site consulting can be arranged on a per-diem basis.
