

## **The Book Cover**

The picture on the cover of the book is an original painting by the author. The painting (**Nile River View**, 2009) is 100cm by 80cm and a photo of the painting is included on this website in the section: Paintings by the Author. This version of the painting is in a private collection in Los Angeles. An early version completed in 1990 can also be seen in the same section of this website. It is called **View by the River**.
